

Databases

Centre André-Chastel develops databases of general interest for the discipline. Some are published online, on various sites, in particular:

- **Théophile image databases:** Stained glass from Middle Ages to present days, and Medieval monumental sculpture (<http://e-chastel.huma-num.fr/xmlui/handle/123456789/1>)
- **Correspondence Eugène Delacroix** (<http://www.correspondance-delacroix.fr/>)
- **Conbavil, Civil Buildings Council** (<https://www.inha.fr/fr/ressources/outils-documentaires/conseil-des-batiments-civils-conbavil.html>)
- **Hortus** (<http://chateauversailles-recherche.fr/francais/ressources-documentaires/bases-de-donnees-en-ligne/base-hortus.html>)
- **Menus-Plaisirs du roi** (<http://www.culture.gouv.fr/documentation/archim/menus-plaisirs.html>)
- **17th century Parisian hotels**

Other databases are in progress: **14th-16th Century Parisian Artists**; Corpus of Southern Enamels; Deloynes (Writings on Art); Paris Cellars.
